

THE RIGHT DIRECTION CAREER CONSULTANCY

CAREER GUIDANCE • MENTORING • COMMUNITY INITIATIVES

1. HOME PAGE

At The Right Direction Career Consultancy, we believe the right guidance at the right time can transform lives. Through guidance, mentoring and training, we help individuals discover their potential, make informed decisions and move forward with clarity and confidence.

Our Vision

To become a trusted guidance, training and mentoring centre that empowers individuals across different stages of life to live with clarity, confidence and purpose.

Our Mission

- To provide ethical and empathetic guidance.
- To empower students to make informed career choices.
- To support women in building confidence and independence.
- To create a supportive ecosystem where guidance meets compassion.

2. ABOUT US

The Right Direction Career Consultancy was founded as a career guidance initiative for high school students and gradually expanded into a platform for guidance, training and mentoring at different stages of life.

We believe guidance is more than advice—it is about listening with empathy, understanding individual journeys and helping people move forward with confidence and purpose.

Our Mandate

To provide career counselling, academic guidance, mentoring, training, educational awareness and personal development services to students, youth and individuals, and to undertake programmes supporting education, career development, entrepreneurship and community development.

Our Objectives

- To understand individual needs and guide with patience and empathy.
- To help students understand their interests, strengths, abilities and aspirations.
- To support informed choices about education, careers and future opportunities.
- To provide a safe space for questions, doubts and concerns.
- To support women in learning, restarting, growing and building meaningful opportunities.
- To organise programmes and activities that promote learning, confidence and personal development.
- To work with schools and communities to make quality guidance more accessible.

About Our Founder

Rashmi Rekha Kakoty

Mrs. Rashmi Rekha Kakoty is an educator, academic counsellor and career guidance professional with over 15 years of experience in the education sector. She holds a Master's degree in Management and professional certifications including the Global Career Counselling Certificate from UCLA Extension, Green Belt Certification in Career Counselling from Univariety, and the International Certified Career Coach Program from Mindler Education, New Delhi.

In 2020, she founded RDCC to provide practical career guidance, mentoring and career awareness. Her contribution to mentoring and career awareness was recognized with the Women's Achiever Award 2025 by the Global Talk Education Foundation.

How Do We Provide Our Services?

RDCC provides short-term programmes, workshops and continuous mentoring, online or offline, depending on the programme and participants. Services may be offered individually or in groups, with expert-led programmes arranged when required.

4. OUR ANNUAL EVENTS & COMMUNITY INITIATIVES

Manifest Your Dream Through Your Talents

An annual initiative organized every November since 2020, providing students and young people with a free online platform to showcase their creativity and talents. Participants receive certificates and outstanding entries are recognized.

Late Prof. L. P. Kakoty Memorial Online Letter Writing Competition

Introduced by RDCC in 2026, this free annual online competition is exclusively for undergraduate students studying in Assam, irrespective of academic stream, encouraging clear expression, writing skills, social awareness and civic responsibility.

Community Help

RDCC undertakes selected free community-oriented activities whenever possible, including awareness sessions, educational guidance, information-sharing initiatives and programmes for students and young people.

Our Blog Posts

Since 2023, RDCC has contributed articles and educational content through news journals, publications in Assam and social media, covering education, career choices, student development and career opportunities.
